Ambassadors for Change!

Year 6 Home Learning
Due: Tuesday 1st December

Parent challenge:

Support your child by researching their chosen issue or right with them. Ask your child why they believe their chosen issue or right is important and why it should be valued.

Your new topic is 'Ambassadors for Change', which is all about human rights, respecting differences and sharing our opinions to support change. Choose an article from the UNCRC or a global issue, which is important to you, that you would like to focus on. You need to raise awareness of the importance of your chosen right or global issue. You may want to use news articles that show how people are raising awareness of your particular right!

Pupil challenge:

You could raise awareness of your chosen area by presenting a poster, a model, an information leaflet, letter to your class or any other exciting way.

You may wish to use the ideas over-leaf as inspiration for your chosen focus area.
